

Damilola OGUNGBENRO - Web Developer

18, Lateef Fagbemi Street, Akoka, Lagos State

08077758017 | dahmie@gmail.com

I am an avid learner, quick to grasp new technologies to design efficient and scalable products. I am innovative and able to think outside the box; valuable skills I deploy in software design and development.

WEB DEVELOPMENT SKILLS

HTML, CSS, Materialize, JavaScript, JQuery, REACT, PHP, MySQL, GitHub

Confident in creating "fully responsive" projects

RECENT WEB PROJECTS

Team Project on Online Reservation Restaurant App

- HTML, CSS, JavaScript, PHP
- Built a responsive, Multiple pages; which includes PHP contact form and product showcase

Team Project on Agricultural E-commerce App

- HTML, CSS, JavaScript.
- Built multiple pages, responsive web app that showcases farm produce and farmer online community.

Weather Web app

- HTML, CSS, JavaScript.
- Built single page, responsive web app that supplies weather conditions data of cities from an API based on user search parameters.
